WHAT WE DO?

We are a Panamanian company that specializes in bringing to you world class personal assistance and lifestyle planning . Our scope of work includes personal, business and travel wishes. Ranging from the simplest task, such as finding that very special last minute present, to out of the ordinary situations like designing an unforgettable, once in a life time journey to Iceland. We got it all.

We specialize in time saving and problem solving. Period.

THE PROCESS

That moment when everything comes together, social events, that last minute trip, multiple meetings!

At this moment, you wish you had a clone.

S.O.S.
HELP!

Luckily, you got your own genie! Now it's time to relax and trust that every single detail will be taken care of and perfectly organized.

everyologist

Everyologist plans, executes and follows up on all your requirements. We keep you updated on the progress so you do not lose the thread.

We are only a call-chat-email-facetime away.
Just drop it and we'll take care of it.

everyologist

Let our magic save you some time and concentrate in what you really want.
